Alta Students and Families,

Welcome back to Alta! I just wanted to send a note from Alta's Drivers Education Department about the new school year. Those of you who took Drivers Education at Alta learned the amazing parking skills that includes parallel, angle, and perpendicular parking. With the school year underway it's time to use those skills in our school parking lot. The construction on our building has impacted the number of parking stalls available at the school, making it more important that we park centrally in the parking stalls to ensure everyone can have a place to park. Of course, carpooling is also a great alternative.

If you arrive at school late, the driving range on the south side of Alta has parking available until 3:00 pm. The driving range is utilized after school to teach new drivers. Cars that are parked in the driving range after 3:00 pm will have their car towed at the owner's expense. The cost of getting your car back is now well over \$100, make sure that your car is moved before 3:00 pm from the driving range.

To summarize:

Be good parkers by centering your car and taking only one stall.

Use the main parking lot first.

If you have to park in the driving range, please move your car by 3:00pm.

Save money by not having your car towed!

Thanks,
Morgan Brown
Driver's Education Dept. Head

PTSA Corner

The PTSA is excited for a fantastic school year and appreciate all of your support. Here are a few ways to support our Alta PTSA:

- **Join PTSA**-Show your support for Alta students, school, and community by joining. You can join online or come into the office to pay the \$10 membership fee. These fees help cover student activities throughout the school year.
- **Volunteers**-You can go online to fill out the volunteer form through www.canyonsdistrict.org, click on the parent tab and scroll down to volunteer. All volunteers for PTSA will need to register.
- **Contact Information**-Stop by the office or make an appointment if you are interested in how you can volunteer.
