The scholarship is to be in effect for a four-year period while the recipient attends (8) college semesters at a rate of 2 semesters per year.

Terms and Conditions:

The Utah Division of Occupational and Professional Licensing (DOPL) requires that one must receive 8,000 hours of on-the-job-training (OJT) and a minimum of 576 hours of classroom instruction in an approved electrical curriculum to qualify to take one's Journeyman's Exam.

The recipient must remain gainfully employed by Hunt Electric throughout the duration of the scholarship. Utah is a right to work state and employment can be terminated at any time for any reason. Conversely, the recipient may quit at any time for any reason. If employment is terminated during the duration of the scholarship, or the recipient decides to accept employment with another organization during the time of their training, the scholarship benefits will cease immediately.
