Alta High School

Soar to a New ALTAtude

We are an inclusive learning community with a tradition of inspiring, supporting, and collaborating with students as they prepare to be engaged citizens in their pursuit of continuous success.

- ✓ **School Schedule** – We are on a 4-day, in person school week with a short review activity for students to complete at home on Fridays. Therefore, we will not have a late-start day on Tuesdays. Due to a need to distance with all students in the building, we will be on a 3-lunch bell schedule. You can view a copy of the adjusted bell schedule on page 5.
- ✓ **Online Learning** – Even though all students are returning to school, we know that some will still need to learn from home from time to time due to sickness or quarantine. When learning from home, students can keep up with their classes on Canvas following the guidelines sent out last week. They can expect 40-90 minutes of work per class in one of the following formats: flipped, blended or synchronous.
- ✓ **Math Tutoring** – Please view the schedule on page 6 for math tutoring opportunities. Both in person and virtual opportunities are available.
- ✓ **AP Students and Parents** – The window is now open to register and pay for the 2021 AP exams. This is a TWO STEP process and both steps must be completed prior to November 1st to avoid paying additional exam fees. All the information you need, including a registration tutorial, is available on our Counseling website: <https://altahscounseling.weebly.com/ap.html>. Please contact Alta's AP Coordinator, Shannon Kershaw (shannon.kershaw@canyonsdistrict.org) for additional assistance.
- ✓ **Graduation Orders** – Jostens, your official graduation and class jewelry supplier, will be at school taking orders for senior graduation/accessories and class jewelry on Wednesday, October 28th from 7:00am to 1:00pm in the commons area. It is imperative that you order on Wednesday, October 28th to ensure that you get your pre-delivered items (tassels, sweatshirts, etc.) and that we reserve the correct gown size for your graduation in the spring. If your student did not receive a graduation packet last week, they are available in the main office.
- ✓ **Free Meals to Fuel Friday Learning** – On Thursdays, our lunchroom will double the number of meals we normally prepare, adding an extra sack meal for students to take home and enjoy on Friday. The sack meals will be made available free of charge for as long as federal grant funding remains in place. Efforts will be made to distribute the meals at the end of the school day so they can be quickly refrigerated. This is important, as the sack meals will contain perishable items. Nutrition information for the meals can be found at [CSD's online lunch menu](#).
- ✓ **Hawk Stash** – The Hawk Stash is up and running! Students can visit it every Thursday after school or see their counselor for a private visitation. You can also help us keep the Hawk Stash stocked with your donations. See page 7 for more details.
- ✓ **The Utah Promise Scholarship Program** fills the gap to cover tuition for any student who receives the Pell Grant but still owes tuition.

- ✓ **Ordering Transcripts** – Transcripts can be ordered online by going to the Alta website or by going directly to the [Alta Parchment website](#).
- ✓ **Girls Basketball Try Outs** are on Monday, November 9 and Tuesday, November 10 from 2:45pm - 5:00pm. Make sure you register to try out on www.RegisterMyAthlete.com and you are academically eligible from first quarter with a 2.0 GPA and no more than 1 failing grade. You must attend both days of try outs. If you have any questions about Girls Basketball, contact Coach G.
- ✓ **Job Opportunity with Code Ninjas** – Code Ninjas in Draper is looking to hire high school students! See pages 9 and 10 for more information.

Semana del 19 de octubre de 2020

Escuela Secundaria Alta

Vuela a una nueva ALTitude

Nosotros somos una comunidad con un ambiente inclusivo de aprendizaje que tiene como tradición inspirar, apoyar, y colaborar con los estudiantes en su preparación para convertirse en residentes dedicados a la búsqueda continua del éxito.

- ✓ **Horario escolar:** estamos en una semana escolar en persona de 4 días con una breve actividad de repaso para que los estudiantes la completen en casa los viernes. Por lo tanto, no tendremos un día de inicio tardío los martes. Debido a la necesidad de distanciarnos con todos los estudiantes en el edificio, estaremos en un horario de campana de 3 almuerzos. Puede ver una copia del horario de timbre ajustado en la página 5.
- ✓ **Aprendizaje en línea:** aunque todos los estudiantes están regresando a la escuela, sabemos que algunos todavía necesitarán aprender en casa de vez en cuando debido a enfermedades o cuarentena. Al aprender desde casa, los estudiantes pueden mantenerse al día con sus clases en Canvas siguiendo las pautas enviadas la semana pasada. Pueden esperar entre 40 y 90 minutos de trabajo por clase en uno de los siguientes formatos: volteado, combinado o sincrónico.
- ✓ **Tutoría de matemáticas:** consulte el programa en la página 6 para conocer las oportunidades de tutoría de matemáticas. Hay oportunidades tanto presenciales como virtuales.
- ✓ **Alumnos AP y padres:** la ventana ahora está abierta para registrarse y pagar los exámenes AP 2021. Este es un proceso de DOS PASOS y ambos pasos deben completarse antes del 1 de noviembre para evitar pagar tarifas de examen adicionales. Toda la información que necesita, incluido un tutorial de registro, está disponible en nuestro sitio web de Consejería: <https://altahscounseling.weebly.com/ap.html> . Comuníquese con la coordinadora de AP de Alta, Shannon Kershaw (shannon.kershaw@canyonsdistrict.org) para obtener ayuda adicional.
- ✓ **Órdenes de graduación:** Jostens, su proveedor oficial de joyería de graduación y de clase, estará en la escuela tomando pedidos de graduación / accesorios y joyería de clase el miércoles 28 de octubre de 7:00 am a 1:00 pm en el área común. Es imperativo que haga su pedido el miércoles 28 de octubre para asegurarse de recibir sus artículos pre-entregados (borlas, sudaderas, etc.) y que reservemos el tamaño correcto de la bata para su graduación en la primavera. Si su estudiante no recibió un paquete de graduación la semana pasada, están disponibles en la oficina principal.
- ✓ **Comidas gratis para alimentar el aprendizaje de los viernes:** los jueves, nuestro comedor duplicará la cantidad de comidas que preparamos normalmente, agregando una bolsa de comida adicional para que los estudiantes se la lleven a casa y la disfruten el viernes. Las bolsas de comida estarán disponibles sin cargo mientras se mantengan los fondos de la subvención federal. Se harán esfuerzos para distribuir las comidas al final del día escolar para que se puedan refrigerar rápidamente. Esto es importante, ya que las comidas en bolsas contendrán artículos perecederos. La información nutricional de las comidas se puede encontrar en [Menú de almuerzo en línea de CSD](#) .
- ✓ **Hawk Stash** - ¡El Hawk Stash está listo y funcionando! Los estudiantes pueden visitarlo todos los jueves después de la escuela o ver a su consejero para una visita privada. También puede ayudarnos a mantener el Hawk Stash abastecido con sus donaciones. Consulte la página 7 para obtener más detalles.
- ✓ **El Programa de Becas Utah Promise** llena el vacío para cubrir la matrícula de cualquier estudiante que reciba la Beca Pell pero que aún deba matrícula.
 - Universidad de Utah para beca de Utah <https://admissions.utah.edu/forutah/>
 - Beca UVU Green Light <https://www.uvu.edu/financialaid/scholarships/greenlight.html>
 - Beca Weber State Dream Weber <https://www.weber.edu/dreamweber/default.html>
 - Beca de promesa de SUU Access Utah <https://www.suu.edu/finaid/accessutahpromise.html>
 - Promesa SLCC <https://www.slcc.edu/promise/>
 - Beca basada en las necesidades del estado de Utah <https://www.usu.edu/admissions/costs-and-aid/>
 - Beca Promise de Snow College Utah <https://www.snow.edu/offices/scholarships/downloads/Utah-Promise-Application.pdf>
- ✓ **Solicitud de transcripciones:** las transcripciones se pueden solicitar en línea en el sitio web de Alta o directamente en el [Sitio web de Alta Parchment](#) .
- ✓ **Las pruebas de baloncesto para niñas** son el lunes 9 de noviembre y el martes 10 de noviembre de 2:45 pm a 5:00 pm. Asegúrate de registrarte para probar www.RegisterMyAthlete.com y eres académicamente elegible desde el primer trimestre con un GPA de 2.0 y no más de 1 calificación reprobatoria. Debes asistir a los dos días de prueba. Si tiene alguna pregunta sobre el baloncesto femenino, comuníquese con el entrenador G.
- ✓ **Oportunidad de trabajo con Code Ninjas:** ¡Code Ninjas en Draper busca contratar estudiantes de secundaria! Consulte las páginas 9 y 10 para obtener más información.

Code Ninjas Sensei – Job Overview

Position: Code Sensei (Teach and Learn – Training included - Coding and Building Games)

Location: 153 West 12300 South, Draper, UT 84020

Contact: draperut@codeninjas.com - 801-601-1908

Compensation: \$7.25 - \$10.00 / hr

Hours: Flexible hours / part-time

Job Description

Who are we?

Code Ninjas is the nation's fastest growing kids coding franchise. In our center, kids ages 7-14 learn to code in a fun, non-intimidating way – by playing and building video games they love. Kids have blast and can't wait to come back. Parents are thrilled as their children gain confidence and new skills including coding, math, logic, and problem-solving, as they progress from white to black belt. Our core promise is, *Kids have fun, parents see results*. We believe in these words so much that it's written on the walls in our center.

What are we looking for?

We are looking for a **Code Sensei** to join our team of dynamic, energetic, forward thinking minds, working toward our common goal: providing a fun and safe learning environment for children. Our senseis are the lifeblood of our Code Ninjas center. This individual oversees the day-to-day coaching and student engagement. Are you experienced in working with children? Do you enjoy teaching and building problem solving skills in young engineering minds? Have you mentored youth? This could be the role for you.

Responsibilities include:

- Engage your students, field their questions or issues
- Create a positive and safe environment in which students can grow
- Work with children to determine skill sets
- Provide feedback to parents after working with student who is on a tour
- Work through curriculum to anticipate and provide guidance to students as necessary
- Follow opening/closing duties daily
- Clean dojo(s) throughout the day to ensure cleanliness is kept up to corporate standards
- Report weekly to Center Director and Assistant Manager on progress
- Report daily to Center Director and Assistant Manager with respect to day's activities, efficiency & productivity in dojo

Qualifications:

- High School Students (Technology, Computer Science) / College Students
- Experience working with the general public
- Experience in teaching, mentoring or childcare
- Works well with others; collaborates
- Knowledgeable about coding and technology; or sharp enough to quickly pick up the basic concepts
- Must be fun to work with and like working in fast paced environments where requirements can change frequently
- Experienced with Roblox, Minecraft, Scratch or other gaming platforms
- Previously experienced Code Senseis are preferred
