Week of November 9th, 2020

Alta High School

Soar to a New ALTitude

We are an inclusive learning community with a tradition of inspiring, supporting, and collaborating with students as they prepare to be engaged citizens in their pursuit of continuous success.

- ✓ **November 8th Utah Emergency Order** – Yesterday evening, Governor Herbert issued an emergency address to announce new mandates for the State of Utah. These orders included a two-week suspension of extracurricular school activities. This unfortunately cancels or postpones many of our upcoming events. If your student is involved with a sport, club or activity, the teacher or coach advisor will communicate plans for possibly resuming activities the week of November 23rd. The emergency order also announced a mask mandate. Masks have been required in schools since the beginning of this school year, but we ask that families help us in reminding students to be vigilant in properly wearing a mask over their mouth and nose in classrooms, hallways, school grounds and if traveling to and from school with individuals outside their household.
- ✓ **Hybrid Schedule** – We are following a hybrid, split schedule to help mitigate risk to our students and staff due to the recent uptick in COVID-19 cases in our school and in the Alta Community. Please view the “Upcoming Events” on page 2 for details about the daily schedule. Whether they are learning from school or from home, students are expected to be in class on time. At the beginning of each class period, students at home should log into the appropriate Canvas course and following instructions for that day’s learning. A copy of the Alta Bell Schedule can be found on page 5.
- ✓ **Work-Based Learning Opportunities** – Please see the information on page 6 for some great work-based learning opportunities!
- ✓ **Utah STEM Fest** – This week is the Week of STEM. Students, educators, and parents can access the [Week of STEM portal](#) and explore information related to Science, Technology, Engineering, Art, and Mathematics. STEM Fest's Week of STEM is designed to deliver a well rounded experience of thinking like a STEM professional. Students will examine articles and videos, become citizen scientists, engage with hands-on activities, and hear from real industry professionals every day of the week!
- ✓ **No Grades (NG)** – With the frequent changes throughout 1st quarter, we provided little opportunity for students to make up no grades (NG) they may have earned. Therefore, NGs earned during 1st quarter were cleared. Moving forward, however, students will earn and need to make up NGs earned for a lack of consistent attendance. Please see page 7 for the NG policy, which includes options for how students can make up current and past NGs.
- ✓ **Math Tutoring** – Please click the link to view the schedule for math tutoring opportunities. In person tutoring is suspended for the next two weeks, but virtual opportunities are still available.
- ✓ **Sterling Scholar** – The application process for Sterling Scholar has moved online this year. All seniors with a GPA of 3.5 or higher are encouraged to apply for up to three categories. Please see the [Alta High Sterling Scholar](#) webpage for more information.
- ✓ **Free Meals to Fuel Friday Learning** – On Thursdays, our lunchroom will double the number of prepared meals, adding an extra sack meal for students to take home. The sack meals will be made available free of charge. These will be distributed at the end of the school day so they can be quickly refrigerated. Nutrition information for the meals can be found at [CSD's online lunch menu](#).
- ✓ **Hawk Stash** – The Hawk Stash is up and running! Students can visit it every Thursday after school or see their counselor for a private visitation. You can also help us keep the Hawk Stash stocked with your donations. See page 8 for more details.
- ✓ **Keys to Success** – Students: don't forget to apply for the Keys to Success app online to register an account. You have the opportunity to be awarded a scholarship for college or obtain an internship! There is so much good information in the app for you!
- ✓ **Ordering Transcripts** – Transcripts can be ordered online by going to the Alta website or by going directly to the [Alta Parchment website](#).
- ✓ **Indoor Soccer Activities** – In accordance with the governor’s announcement all indoor soccer open gyms are canceled for the next two weeks.

UPCOMING Events

*By order of Governor Herbert on the evening of November 8, 2020,
all before and after school extracurricular activities have been suspended through November 22, 2020.*

Monday, November 9th

A-Day, Students A-K attend in person; Students L-Z attend Virtually

7:45am, 1st Period Starts

9th Grade Plan College and Career Readiness Meetings

9:10am, In Advisory Classes

Tuesday, November 10th

B-Day , Students A-K attend in person; Students L-Z attend Virtually

7:45am, 5th Period Starts

9th Grade Plan College and Career Readiness Meetings

9:10am, In Advisory Classes

Wednesday, November 11th

A-Day, Students L-Z attend in person; Students A-K attend Virtually

7:45am, 1st Period Starts

9th Grade Plan College and Career Readiness Meetings

9:10am, In Advisory Classes

Thursday, November 12th

B-Day, Students L-Z attend in person; Students A-K attend Virtually

7:45am, 5th Period Starts

9th Grade Plan College and Career Readiness Meetings

9:10am, In Advisory Classes

Friday, November 13th

Teacher Prep/Online Learning Day

Students will complete a short review activity per class at home.

Keep up with Alta High news, events and photos by following us on Instagram ([alta.hawks](#)) and the [Alta High Facebook](#) page, viewing the [Alta High Website](#) and reading the [Hawkeye News](#) online.

Semana del 9 de noviembre de 2020

Escuela Secundaria Alta

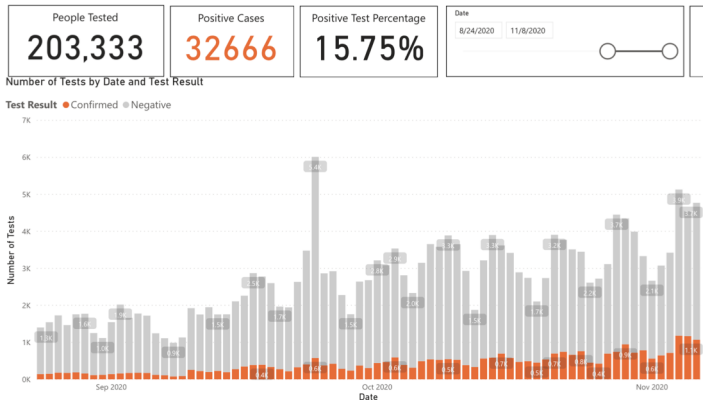

Vuela a una nueva ALTitude

Nosotros somos una comunidad con un ambiente inclusivo de aprendizaje que tiene como tradición inspirar, apoyar, y colaborar con los estudiantes en su preparación para convertirse en residentes dedicados a la búsqueda continua del éxito.

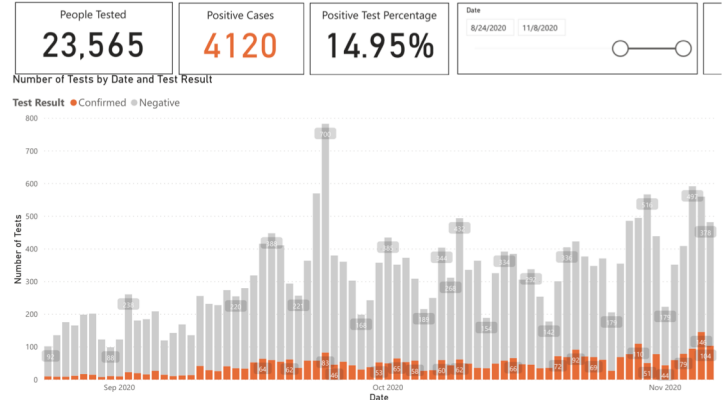

- ✓ **Orden de emergencia de Utah del 8 de noviembre** - Ayer por la noche, el gobernador Herbert emitió un discurso de emergencia para anunciar nuevos mandatos para el estado de Utah. Estas órdenes incluyeron una suspensión de dos semanas de las actividades escolares extracurriculares. Desafortunadamente, esto cancela o pospone muchos de nuestros próximos eventos. Si su estudiante participa en un deporte, club o actividad, el maestro o asesor del entrenador comunicará los planes para la posible reanudación de las actividades la semana del 23 de noviembre. La orden de emergencia también anunció un mandato de máscara. Las máscaras han sido requeridas en las escuelas desde el comienzo de este año escolar, pero les pedimos a las familias que nos ayuden a recordarles a los estudiantes que deben estar atentos al usar adecuadamente una máscara sobre la boca y la nariz en las aulas, pasillos, terrenos de la escuela y si viajan hacia y desde escuela con personas fuera de su hogar.
- ✓ **Horario híbrido:** estamos siguiendo un horario híbrido y dividido para ayudar a mitigar el riesgo para nuestros estudiantes y personal debido al reciente aumento en los casos de COVID-19 en nuestra escuela y en la comunidad de Alta. Consulte los "Próximos eventos" en la página 2 para obtener detalles sobre el programa diario. Ya sea que estén aprendiendo en la escuela o en casa, se espera que los estudiantes lleguen a clase a tiempo. Al comienzo de cada período de clase, los estudiantes en casa deben iniciar sesión en el curso de Canvas apropiado y seguir las instrucciones para el aprendizaje de ese día. Se puede encontrar una copia del horario de Alta Bell en la página 5.
- ✓ **Oportunidades de aprendizaje basadas en el trabajo:** consulte la información en la página 6 para conocer algunas oportunidades de aprendizaje basadas en el trabajo.
- ✓ **Utah STEM Fest:** esta semana es la Semana de STEM. Los estudiantes, educadores y padres pueden acceder al [Portal de la semana de STEM](#) y explorar información relacionada con ciencia, tecnología, ingeniería, arte y matemáticas. La Semana de STEM de STEM Fest está diseñada para ofrecer una experiencia completa de pensar como un profesional de STEM. Los estudiantes examinarán artículos y videos, se convertirán en científicos ciudadanos, participarán en actividades prácticas y escucharán a profesionales reales de la industria todos los días de la semana.
- ✓ **Sin calificaciones (NG):** con los cambios frecuentes a lo largo del primer trimestre, brindamos pocas oportunidades para que los estudiantes no recuperaran calificaciones (NG) que pudieran haber obtenido. Por lo tanto, se eliminaron los NG obtenidos durante el primer trimestre. Sin embargo, en el futuro, los estudiantes obtendrán y deberán recuperar los NG obtenidos por falta de asistencia constante. Consulte la página 7 para conocer la política de NG, que incluye opciones sobre cómo los estudiantes pueden recuperar los NG actuales y pasados.
- ✓ **Tutoría de matemáticas** - Haga clic en el enlace para ver el calendario de oportunidades de tutoría de matemáticas. La tutoría en persona está suspendida durante las próximas dos semanas, pero las oportunidades virtuales aún están disponibles.
- ✓ **Sterling Scholar:** el proceso de solicitud de Sterling Scholar se ha movido en línea este año. Se anima a todos los estudiantes de último año con un GPA de 3.5 o superior a solicitar hasta tres categorías. Por favor vea el [Becario de Alta High Sterling](#) página web para obtener más información.
- ✓ **Comidas gratis para alimentar el aprendizaje de los viernes:** los jueves, nuestro comedor duplicará la cantidad de comidas preparadas, agregando una bolsa de comida adicional para que los estudiantes se la lleven a casa. Las comidas en bolsa estarán disponibles de forma gratuita. Estos se distribuirán al final de la jornada escolar para que puedan refrigerarse rápidamente. La información nutricional de las comidas se puede encontrar en [Menú de almuerzo en línea de CSD](#).
- ✓ **Hawk Stash** - ¡El Hawk Stash está listo y funcionando! Los estudiantes pueden visitarlo todos los jueves después de la escuela o ver a su consejero para una visita privada. También puede ayudarnos a mantener el Hawk Stash abastecido con sus donaciones. Consulte la página 9 para obtener más detalles.
- ✓ **Keys to Success** - Estudiantes: no olvides solicitar la aplicación Keys to Success en línea para registrar una cuenta. ¡Tienes la oportunidad de recibir una beca para la universidad u obtener una pasantía! ¡Hay tanta buena información en la aplicación para ti!
- ✓ **Solicitud de transcripciones:** las transcripciones se pueden solicitar en línea yendo al sitio web de Alta o directamente al [Sitio web de Alta Parchment](#).
- ✓ **Actividades de fútbol sala:** de acuerdo con el anuncio del gobernador, todos los gimnasios abiertos de fútbol sala se cancelarán durante las próximas dos semanas.

HOSTED BY WOMEN LAWYERS OF UTAH AND UTAH CENTER FOR LEGAL INCLUSION

Virtual Engineering Day at the University of Utah

Saturday, November 21, 2020, 9:00am-1:00pm.

Registration link: <https://admin.coe.utah.edu/engineering-day/registration>

- The event is FREE and is designed to introduce participants to a variety of engineering disciplines. Participants will have the opportunity to choose three different presentations or virtual tours. After registration is complete participants will receive an email with links to presentations and passwords.
- Please contact Morgan Boyack at morgan.boyack@utah.edu or 801-581-4528 with questions.

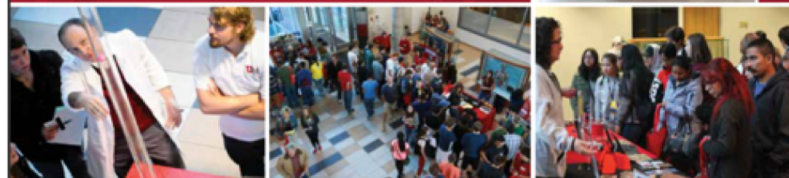

Utah Center for Legal Inclusion (UCLI) Legal Careers Webinars

Register and view archived episodes at
<http://www.utahcli.org/webinars/>

- Join the Utah Center for Legal Inclusion for our November Wednesday Webinars! This month, UCLI will be focusing on the judiciary, with three great episodes planned. November 4: Appellate Court Judges; November 11: RBG Tribute; November 18: Trial Court Judges.

THE UNIVERSITY OF UTAH ENGINEERING DAY 2020

Saturday, November 21, 2020
9:00 AM - 1:00 PM
VIRTUAL EVENT

Discover Engineering in Action

PRESENTATIONS • DEMONSTRATIONS • TOURS • ACADEMIC ADVISING

Registration opens Oct. 26th
Register at: coe.utah.edu/eng_day

ALTA HIGH SCHOOL

No Grade (NG) Policy

To earn course credit, a student must attend class consistently. If a student accumulates a total of five (5) or more unexcused absences or tardies (A, W, A-VT, and T) per class per quarter, the student will receive a no grade (NG). The NG indicates the student is passing the class but has lost credit for the class due to a lack of consistent attendance. Students clear NG's by selecting from the list of options below. A no grade (NG) is not available for those who have failed academically. Failing students will receive an F regardless of their attendance status. Both an NG and an F will result in loss of credit. For activity or athletic eligibility, a NG is calculated as a failing grade.

OPTIONS FOR MAKING UP NG'S & AVOIDING LOSS OF CREDIT

To clear a no grade (NG) students must clear all attendance marks above the four allowed by selecting from the options listed below. 60 minutes of time will modify one absence (A, G, W, AVT) and 30 minutes of time will modify one tardy (T). Students are responsible for following through and verifying that the selected option has been completed. Should parents/guardians have concerns regarding extenuating circumstances that result in a student exceeding the allowed number of absences, please call the school to make an appointment to meet with your student's assistant principal.

Students will track their time on a form they can obtain in the Attendance Office.

Options:

- **Engagement Time Sessions:** 7:10 A.M.-7:40 A.M. Students will complete the necessary amount of time needed with the teacher in whose class the student received an NG. The teacher will sign the attendance form and the student will return the form to the Attendance Office.
- **Perfect Attendance:** 10 consecutive school days in all classes, including no tardies, will clear one NG. School activities (N) and excused absences do not count against the 10 days of perfect attendance.
- **Hawk Study Hall:** Study Hall sessions will be offered every Friday from 12:00pm – 2:00pm. Students may choose to attend one or both hours and must arrive on time, at the top of the hour. Students must bring their photo ID and have appropriate school work. No food or drink will be permitted in the Study Hall area. No sleeping or communicating with other students will be allowed during the session. All Alta High School rules will be enforced in each session. A student who is disruptive or who violates the above rules during Hawk Study Hall will be asked to leave the session by the supervising teacher. The student will also forfeit the attendance for that session.

NOW OPEN

ALTA HIGH HAWK STASH

Alta's very own food pantry for students and their families

OPEN THURSDAYS AFTER SCHOOL
2:25-3:00

-OR- talk to your counselor to check out the stash at a different time

ROOM 1110

Anyone is welcome to come fill up a bag of food. The Stash also has personal hygiene items and some school supplies.

Help keep the Hawk Stash stocked! You can drop off non-perishable food items (no expired products, please) or make a cash donation in the attendance office anytime!

AHORA ABIERTO

ALTA HIGH HAWK STASH

La reserva de Alta para los estudiantes y sus familias

ABIERTO LOS JUEVES DESPUÉS DE LA ESCUELA 2:25-3:00

o habla con tu consejero para visitar la reserva en un
horario diferente

AULA 1110

Cualquier persona es bienvenida a llenar una bolsa de comida. The Stash también tiene artículos de higiene personal y útiles escolares.

Ayuda a mantener la reserva de Hawk llena. Puedes dejar alimentos no (por favor que no estén expirados) o hacer donaciones en efectivo en la oficina de asistencia en cualquier momento.
