What is Step2TheU?

- An opportunity for juniors in high school to take up to 30 semester credits through the University of Utah in one year with an integrated learning emphasis in Culture and Leadership, and earn 36 total semester hours if they opt to continue attending UofU
- Courses are taught by University of Utah Faculty and begin the summer (2021) after end of junior year of high school.
- Students complete coursework at the end of the summer after graduation (2022)
- Students can take 12 semester credits (4 classes) each summer block with one math class (1030, 1040, 1050, or 1060) during both fall and spring of senior year

What are the Benefits to Step2TheU?

- University classes from university professors
- Earn 30 semester university credits and 3 full high school credits
- Access general education classes in a class size of 35
- Save approximately \$15-20,000 in tuition and fees
- Reduce the amount of time in university studies (up to a year and a half)
- Graduate with a Bachelor's Degree in 2 ½ years
- Network with university professors and researchers on campus
- Attend Step2TheU unique campus activities (i.e., athletic events, specialized campus tours, tutoring, department tours, etc.)
- Engaging in university learning in a common cohort with integrated curriculum
- Wrap around “U” supports (peer mentor, University Academic Advising, etc.)
