2021-22 Theme: The Future is Ours!

We are an inclusive learning community with a tradition of inspiring, supporting, and collaborating with students as they prepare to be engaged citizens in their pursuit of continuous success.

✓ **Seasons of Change:** This past week's news has been bittersweet. After nearly eight years serving as the principal of Alta High School, Dr. Brian McGill will be stepping down to become the Director of Student Services in Canyons School District. We thank Dr. McGill for his dedicated service on behalf of the entire school community. In January, we will welcome the newly appointed principal, Ken Rowley, as the next principal of Alta High School.

If you have earned a 3,4, or 5 on an AP world language test, and a minimum of an 18 on the English portion of the ACT, you automatically qualify! The application deadline is **Friday, Jan. 21st, 2022.** Complete the application online at: <https://sealofbiliteracy.canyonsdistrict.org>. ✓ **Temporadas de cambio:** las noticias de la semana pasada han sido agridulces. Después de casi ocho años sirviendo como director de Alta High School, el Dr. Brian McGill dejará el cargo para convertirse en Director de Servicios Estudiantiles en el Distrito Escolar Canyons. Agradecemos al Dr. McGill por su dedicado servicio en nombre de toda la comunidad escolar. En enero, daremos la bienvenida al director recién nombrado, Ken Rowley, como el próximo director de la High School secundaria.

LETS BUILD MARCUS'S DREAM

ALTA HIGH SCHOOL
2021-2022

Thank you for granting wishes like Marcus's:

Marcus radiates joy! He is friendly, curious, funny, and very outgoing. Some of Marcus' favorite hobbies are drawing, playing the video game Five Nights at Freddy's, building with Legos, and watching parkour videos on YouTube. Marcus easily connects with adults because he is constantly surrounded by them as an only child. His parents even caution that his sense of humor is a little more mature than an average kid which makes for some funny interactions. Despite the difficult life Marcus has led, he always has a joke and a smile to share with anyone who will listen.

Being born fifteen weeks premature has affected much of Marcus's normal development, bringing countless visits to the doctor and various specialists. Having a wish gives Marcus something to look forward to and a reason to get excited. Now he can plan fun activities he'd want to do on a trip, or even dream up an art piece to create instead of just asking about his next appointment.

Marcus would love to go to Disney World and is especially excited to ride the Slinky Dog rollercoaster. He is also considering a shopping spree wish for an iPad and a computer with graphic design software because he loves creating art. Either way, he can't wait for his wish to come true!

A few favorite things:

Tomatoes and Reese's Peanut Butter Cups

The color brown

Loves parkour videos
