Alta High School

2022-23 Theme: **We're Better Together**

We are an inclusive learning community with a tradition of inspiring, supporting, and collaborating with students as they prepare to be engaged citizens in their pursuit of continuous success.

✓ **Positive News from the Nest:** We welcome our students back to school after a spring break filled with a variety of weather patterns and activities. Congratulations to our Robotics Team whose alliance placed 3rd at the annual Idaho First Robotics Regional Competition last weekend; they will represent Alta High and Canyons School District at the National Competition in Houston in two weeks! Congratulations, also, to our Drumline who placed 3rd at their competition over the break! We also note the new flags hanging from the rafters in the Commons that represent students from a variety of countries who attend Alta. We celebrate the valued perspective these students bring to our school.

✓ **Alta High Report Cards** are completed and uploaded to your Skyward family access. You can access them by clicking on the "student login/report cards/test results" tab located on the left, then click on the Term 2 report card to view/print. If you have not completed your course request card for next year, please contact the Counseling Center today. We are starting to build the master scheduling board and it is imperative we get your selections now.

✓ **Alta High School Work-Based Learning** is hosting a Job Fair for all students, during lunch on **April 17, 2023**. Local business are hiring for summer and part-time jobs. There will also be businesses that are offering full-time jobs for graduating seniors. See Janet Jefferson in Room 2117 for more information and see flyer below.

✓ **Aspire Plus Testing Announcements:** Please be aware that Aspire Plus Testing for 9th and 10th grade students will be conducted on **Tuesday, April 18th and Wednesday, April 19th**. This test helps us to determine how well our students have mastered content in math, science, reading, and language and also helps us to know where to improve our instruction in the classroom. A modified schedule will be held for *all* students after the testing on *both* days. The schedule is posted below. Make-up testing will occur the following week, beginning on April 25th. Should you wish to opt your student out of this exam, please pick up a form in the Main or Attendance Offices (forms will *not* be given to students). These forms must be completed and returned to Ms. Karren, Assistant Principal, prior to your student taking these exams. Thank you!

✓ **Honor Cord Applications** for seniors are now available on Alta's website and in the Career Center. The applications are due **before 3:00 p.m. on April 21st**. Applications should be turned into Department Chairs. If your cord requires a transcript, order it on Parchment: <https://www.parchment.com/u/registration/24401/account>

✓ **Noticias positivas desde el nido:** Damos la bienvenida a nuestros estudiantes a la escuela después de unas vacaciones de primavera llenas de una variedad de actividades y patrones climáticos. Felicitaciones a nuestro equipo de robótica cuya alianza obtuvo el tercer lugar en la primera competencia regional anual de robótica de Idaho el fin de semana pasado; ¡Representarán a Alta High y al Distrito Escolar de Canyons en la Competencia Nacional en Houston en dos semanas! ¡Felicitaciones, también, a nuestro Drumline que obtuvo el tercer lugar en su competencia durante las vacaciones! También notamos las nuevas banderas que cuelgan de las vigas en el Commons que representan a estudiantes de una variedad de países que asisten a Alta. Celebramos la valiosa perspectiva que estos estudiantes aportan a nuestra escuela.

Se llevará a cabo un horario modificado para todos los estudiantes después de la prueba en ambos días. El horario se publica a continuación. Las pruebas de recuperación se realizarán la semana siguiente, a partir del 25 de abril. Si desea excluir a su estudiante de este examen, recoja un formulario en las oficinas principales o de asistencia (no se entregarán formularios a los estudiantes). Estos formularios deben completarse y devolverse a la Sra. Karren, subdirectora, antes de que su estudiante tome estos exámenes. ¡Gracias!
