Parking at Alta High is a **privilege**, not a right, and may be **revoked for violations** of this contract or school rules. To maintain parking privileges, students and parents/guardians must read and agree to the following terms:

## Eligibility & Permits

- **Only 11th and 12th grade students may purchase one \$15 parking permit.** A motorcycle permit is available upon request.
- All fees/fines must be paid before receiving a permit. Extenuating circumstances (e.g., financial hardship) should be discussed with an administrator.
- Students must present a signed contract, driver's license, and vehicle registration to purchase a permit.
- Permits are not transferable to other students or vehicles.

## Permit Use

- Permits must be permanently affixed (not taped) to the lower-left corner of the front windshield.
- A permit does not guarantee a parking space. Parking is first come, first served.
- Parking is allowed only in designated student lots on the west side of campus.
- Vehicles must be moved from the Drivers Ed range by 3:00 p.m. or are subject to towing at the owner's expense.

## Prohibited Parking Areas

- Faculty Parking Lots (east side of the building)
- Visitor/PAC Parking Lot (west side of the building closest to the main entrance)
- Reserved or handicap parking spots (without an ADA *and* Alta permit)
- Bus zones, red curbs, sidewalks, or lawns

Off-campus parking is not monitored or enforced by Alta High School. Sandy City Police may issue citations for illegal parking off-campus.

## Safety & Legal Compliance

- Vehicles must comply with all state laws and be properly registered and maintained.
- Weapons, drugs, alcohol, or stolen property in vehicles are strictly prohibited and will result in school discipline and possible police referral.
- School officials may search vehicles on campus if warranted by law.

## Lost or Damaged Permits

- Lost decals will be replaced for a fee. If you misplace your decal, you are responsible to notify the front office and receive a replacement pass. Failure to display a decal will result in a ticket, even if it was only missing for one day.
- Damaged decals or those removed due to windshield replacement may be replaced at no cost if the original is returned.
- A new decal permit will be issued and the old number permit will not be recognized as a valid parking decal.

## Consequences for Parking Violations:

- Verbal warnings
- Parking citations
- Booting of the vehicle
- Towing and impoundment (owner's expense)
- Loss of parking privileges

Citations must be paid promptly or the permit will be revoked. Unpaid fines may be sent to collections.

Offense	Fine	Additional Action
1st	\$30	-
2nd	\$40	-
3rd	\$50	Parking boot applied

## Disclaimers

Alta High, Canyons School District, and the Board of Education are not liable for theft, loss, vandalism, accidents, or damages to vehicles or contents. Students are advised to lock and secure their vehicles at all times. Additionally, Alta High, Canyons School District, and the Board of Education are not liable for damage caused by attempting to remove a parking boot or drive a vehicle with a parking boot.

*Aretè*—the Greek word for *excellence*. Excellence is the guiding principle behind Alta High School's prestigious student parking program. This initiative honors seniors who embody Alta's SOAR traits: success, ownership, attitude, and respect.

Students selected and assigned a specific parking stall may enjoy the unique privilege of parking in the faculty parking lot. **To qualify, seniors must meet at least 3 items listed below:**

- Maintain a **3.9 or higher GPA**
- Have **zero or only minor disciplinary referrals** over their four years
- Take at least **5 out of 8 classes** during their senior year
- **Participate in at least one extracurricular activity**
- Receive a **teacher recommendation** highlighting their character and contributions to the positive culture of Alta High School

I understand that participating in the Alta Arete Parking is a privilege. My permit may be removed at any time. If my permit is revoked, I will then be subject to the parking violation fines associated with the Alta Student Parking Contract. I agree to abide by the following guidelines:

- If there is excess snow or if the assigned parking spot is not available, I will find a parking area in the general student parking.
- I will not park in a different parking stall within the faculty parking lot.
- I will ensure my vehicle is removed from the faculty parking lot prior to 3:00 PM from August until November 15, 2025. This parking lot is a practice area for the Marching Band.
