***Students must complete Secondary Math I, II, and III before enrolling in any Concurrent Enrollment math course.**

To earn college credit, you must schedule your class with Alta, be admitted as a concurrent enrollment student with SLCC (or other college), and register for the class with the college. Concurrent Enrollment Tuition is \$5/credit. Some courses have additional textbook/software fees.

Please come talk to us in the Career Center (Room 1406 off the Commons) if you have any questions.
